

## HEAD & HEART

Ref:

Ba-ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-ba-dum ba-ba-dum ba-ba-da-dum

Oh my God, oh my God

This feeling's just begun

I'm saying things I've never said

Doing things I've never done

Oh my God, oh my God

When I see you I should run

But I'm frozen in motion

And my head tells me to stop

(Tells me to stop)

Ref:

Ba-ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-ba-dum ba-ba-dum ba-ba-da-dum

Oh my God, oh my God

Can't believe what I've become

I'm thinking things I shouldn't think

Singing songs I've never sung

Oh my God, oh my God

When I see you I should run

But I'm frozen in motion

And my head tells me to stop

(Tells me to stop)
