

I AM THE CHAMPION

I've searched for love
Time after time
Wanting to find it
It isn't a crime

And bad mistakes
I've made a few
But since I saw that girl in my heart
I-I knew
And I'm gonna search on and on and on for her

REF

I am the champion, my friend
And I'll keep on fighting till she wakes
I am the champion, I am the champion
No time for losers 'cause I am the champion
for Snow White
