

## **TOXIC**

Baby can't you see  
I'm calling  
A fruit like me  
Should wear a warning  
I'm dangerous  
I'm fallin'

There's no escape  
I can't wait  
You need a hit  
Baby I am it  
I'm dangerous  
I'm lovin' it

## **REF**

With a taste from a bite  
You're on a ride  
I'm toxic - you're slippin under  
With a taste of a poison paradise  
You're addicted by me  
Don't you know that I'm toxic  
And you don't know what I do  
But I know I'm toxic

## **Bridge**

Too high  
Can't come down  
Losing my head  
Spinning 'round and 'round  
Do you see me now
